About Our School

WRCNS has been serving the community since it was founded in 1973. We are committed to providing children ages 2 to 6 with a rewarding Christian educational program designed to develop mental, physical and social growth. Our curriculum provides a well balanced thematic program that incorporates literacy, math, science, art, music and physical education. These thematic units encourage curiosity, self-direction and confidence.

Classes are offered in the morning and afternoon. We also offer enrichment classes for Pre K and Kindergarten students. All of our large, carpeted classrooms offer an atmosphere that will enable the child to explore in a comfortable, learning setting.

WRCNS provides a warm environment that nurtures the children while enhancing their self esteem and social development.

Daily Activities

- ◆ Circle time
- ◆ Learning Centers—library, literacy, building/construction, science, housekeeping, art, water/sand play
- ◆ Music
- ◆ Snack (provided by school)
- ◆ Story time
- ◆ Large and small motor activities
- ◆ Physical Education

Mommy & Me

This class is designed for children who will be 2 years old by September 30th. This is a special time for Moms and their children to interact with crafts, music, games and cooking. Through projects, children learn to use supplies, follow directions, interact with each other and prepare for separation from their parents.

Grandparents, dads, caregivers, etc. are welcome to accompany the child.

Tots

This class is specifically designed for children who will be 2 1/2 by September 30th.

The class focuses on separating from the parents, introduction to socializing and sharing, as well as following simple instruction. As the children progress throughout the year they will be introduced to skills that will ready them for the nursery level.

Nursery

This class is offered to children who are 3 years old by September 30th. The class focuses on socializing, language development, following directions, sharing and listening skills.

The curriculum involves literacy, reading readiness, math readiness, art, and music. Our activities are geared to enhance all aspects of small and large motor development. Alphabet and number recognition will be introduced at this level.

Pre-K

This class is designed for children who are 4 years old by September 30th. The Houghton Mifflin Math and Literacy Program has been implemented for this class. This thematic-based curriculum includes alphabet and number recognition, and readiness in the writing, reading and math. Computer, art, and music will also be offered at this level.

Pre-K Enrichment

This class is a hands-on, thematic-based program. Each month the children will explore different topics through books, projects, experiments and computers. The children will have the opportunity to enjoy lunch with their classmates. Parents provide lunch. The program meets weekly either Tuesday or Thursday from 11:30 to 2:45pm.

Kindergarten Enrichment

This class is designed for 5 and 6 year old children. WRCNS will be implementing a balanced literacy program which incorporates "The Land of the Letter People" curriculum. This curriculum will address oral language, alphabetic knowledge with word recognition, writing and reading comprehension. This thematic and integrated approach will be used in math, science, art and music. In this enrichment class we will also incorporate the Orton-Gillingham Multi Sensory approach to reading.

Lunch & Play

This program provides the student the opportunity to extend their school day while socializing with their peers. Lunch and Play is offered to Nursery and Pre-K students only. The program is offered Monday, Wednesday and Friday from 11:30—2:00 pm. Lunch Only is 11:30 am to 12:15 pm. Parents provide lunch. We are a nut free facility.

Children are divided into four separate groups and remain with their group throughout the period. Each Lunch and Play group will enjoy outdoor play, story and discussion, music, large group movement, and Center play.
