Welcome!

The Wyckoff Reformed Church Nursery School was founded in 1973 and is operated as a service to its members and the community at large. Our summer camp is a fun and relaxing program for young children. Each week we present a different theme of interest. Families may register for the whole 5 week summer session, or choose individual weeks at a time. All sessions are from 9:00 AM to 11:30 AM.

Our nursery school teachers staff the camp. Children who are newly registered for WRCNS September classes and who can be separate from their parents for a brief length of time are encouraged to attend at least one week of summer camp.

All of our summer classes include the following:

- Theme based art project
- Story and circle time
- Outdoor play (weather permitting)
- Bring bathing suits, or splash clothes, as the sprinklers are set up for the children. Please, no open-toe shoes.
- School provided snack
- Special events and parties
